## The Junior Event

93 Walkers started, comprising 22 adults and 71 youngsters. There were 19 teams entered, 17 of which started and 15 complete teams finished with one part team. In total 86 walkers completed the course (92%).

The results announced on the day showed incorrect times. Unfortunately, the times were given as the total time between the start and finish. The certificates presented had the correct time which deducted the time taken at the lunch stop. The positions given out for the first six teams were correct, and this list shows the correct positions of all teams that finished.

All ten walkers in teams 115 and 119 finished in under four hours, but one walker in team 119 was ONE MINUTE slower, putting them into runners-up position. The winners were "Keeping it Together" from 6th Friern Barnet, with the runners up 1st and 3rd New Barnet.

The list shows the time of the slowest walker in each team, which determines the overall position. Certificate times reflect the time of the walker shown and may differ from the team time.

Team 107 - 22nd BroŌs with sore toes - 22nd Southgate - retired during the event.

Team 114 - 22nd Ruck Pack - 22nd Southgate - finished the walk as an incomplete team in 6 hours.
